OPGERICHT 01. 04. 1942
KONINKLIJK GOEDGEKEURD

General rules:

- **WEARING A HELMET IS COMPULSARY !**
- **OIL DRIP FLOOR MAT** under the motorcycle in the paddock is **COMPULSARY !**
- Each lap has a length of about 2 km.
- De competitors of the blue and white track and the sidecars have to make 3 laps, each lap containing 8 sections.
- De competitors of the red and yellow track have to make 4 laps, each lap containing 8 sections.
- Every competitor has to sign in before the start and obtain a new punchcard every lap.
- Before the start the motorcycles will be scruteneered by an official, who looks for safety, class and extreme noise.
- Both during the **Saturday** and **Sunday** trial you will compete for a classification in the "Eurocup".
- No riding backwards and no sideway's "**JUMPING**" without forward movement.
- You have to follow the coloured signs which are valid for the track which you have chosen only.
- Further the trial will be held according to international rules.
- The trials on Saturday and Sunday will be rewarded separately.
- You have to follow the direction of the track, if you don't, you 'll be disqualified.
- Prices: 1) Every competitor receives a vane.
 2) Each first kwalified rider per class per track colour, receives an award.

We would very much appreciate the fact that your motorbike is build according to the following rules:

1. The motorbikes must meet the demands of their class (See entryform).
2. Motorbikes must look like those in the old days.
3. Mainframe and engine must be original or replica.
4. Bikes must have drum-brakes and a construction of the front-axle as original.
5. Max groundclearance of 26 cm (unloaded)
6. Tyres, rims, carburators, ignition, handlebars etc, free choise.
7. Exotic materials such as titanium, carbonfiber and so on are not allowed.
